TO WHOM IT MAY CONCERN

**RE: REFERENCE FOR GRIDCO CONSTRUCTION.**

The following serves to confirm that Gridco have done work for us in the past, and as a result of their performance, I would have no hesitation in recommending them for any work that they felt capable to undertake.

They are committed to their work, and are proud of good quality work. The entire team has a very reliable work ethic.

If possible, I look forward to working with them again in the future.

Yours faithfully

**METLE** Construction Project Management cc
